

July Fundraiser Over \$10,000 Raised!

Thanks to all of you who supported our GoFundMe campaign! We managed to raise over \$10,000 in just 3 short weeks. We are currently working with our lawyer, accountant, landlord, insurance company, etc. in order to get everything in order for this winter!

We plan to make some changes in the form of a new lobby / entrance, concessions, lockers, and also will be adding some features to the park. We are planning to organize Contests, All Night Skates, Bands, and plenty of special events to keep you warm all winter long!

At this point in time we plan to open the park for a few days a week in mid September 2014, with the park opening 7 Days a week starting October 15, 2014 to officially begin our 2015 season.

The pricing and hours WILL change from what you see now, please bear with us through this transitional phase and we will see you all very soon!
