

## Introducing 24 Hour Access!

**24 Hour Access** is just days away from reality at the Fort Wayne Indoor! We are proud to introduce this new gym type membership at the park in hopes that more people can enjoy the facility.

You will be able to ride your machine day or night whenever you see fit. No more need to schedule your day around session times. Grab a hommie and come on up for as long as you want!

Take notice of the new tab up top "[24 Hour Access](#)" and click it to see all the detailed information about this new radical 24 Hour Pass!
