Donations to our 501(c)3 non-profit - EIN# 47-1624625

Thank you in for considering The Fort Wayne Indoor as a great place to donate your time or money.

We at the Fort Wayne Indoor LTD operate a 12,000 square foot space in the heart of Fort Wayne, Indiana. The space consists of reclaimed, donated, wood and other obstacles that have been built into a legitimate indoor ramp park for the youth of our city to keep their skill sets sharp in the sports of BMX Freestyle Riding & Skateboarding during the long winter months.

Fort Wayne is the 2nd largest city in the state and our audience ranges from ages 8 and up, people visit our park to practice and compete from a radius of over 100 miles. We actively engage with the youth as we teach them life skills, carpentry skills, social skills, etiquette, to teach them to learn new and exciting tricks on their bikes/boards.

For more information on how your donation is helping to make a difference in the lives of so many in our community, we invite you to visit our website at www.thefortwayneindoor.com . You can also find information there on our upcoming events for this year and volunteer opportunities.

Thank you again, and we look forward to your continued support.

Sincerely,

Dan Butler / Rich Hoppe
